

Valentine's Day Gift Ideas!

Babygags– a little Cupid in every Spiffy Baby

These adorable onesies from Babygags will make your little angel look like Cupid himself. 100% white cotton onesies for girl or boy.

Is your little princess a “Goddess of Love?” Then the Aphrodite onesie will be a perfect

addition to her wardrobe. Is your little guy a flirt already? Have him flaunt it with this adorable onesie that reads “Eros – God of Love.”

This charming statement wear is perfect for Valentine's Day, or any LOVELy day.

Sweet (and Safe) Perfumes from Kaloo

Selective, yet affordable, Kaloo perfumes are made for babies from 1 month to 3 years old. The collections reflect the universe of those ages and are created in a subtle balance between lightness and trend. The line includes 6 “Eaux de Senteur” (Scented Waters), sweet and tender like children, with

each a soft toy head.

To ensure that this perfume gives moment of pleasure, the fragrances are without alcohol and safe for babies, even for use several times day. These are loved by kids and parents alike.

Moncalin– Cuddle this Valentine's Day

In French, mon calin (in two words) literally means “my cuddle”, and indeed these toys are very cuddle-some!

Because of their strong emphasis on safety, all of Moncalin toys are meticulously designed and every single piece hand sewn in their Los Angeles studio, to insure quality control. They are dedicated to creating unique and innovative toys with superior materials and fabrics.

All Moncalin make adorable companions for children and adults alike. They are sure to add a contemporary, yet classic flair to your home decor. Whether given as a gift to your newborn, grandmother or friend it will be cherished as a gift of love and affection.
