

“Lighten-Up” Your Child’s Room

Soothing Kids to Sleep with Light

If you liked the Twilight Turtle Nightlight by Cloud B, you will love the new addition to the Cloud B Sleep Sheep & Friends Family, the Twilight Ladybug Constellation Nightlight. Let your child float away in peaceful slumber under a beautiful star-filled sky. The Twilight Ladybug (just like the Turtle) makes bedtime fun and helps ease children’s fear of the dark by projecting a starry night sky onto bedroom ceiling and walls. The Ladybug’s shell illuminates stars in three magical colors to help children sleep easier. The perfect sleep companion for children of all ages!

The Twilight Ladybug features a full night sky projection on ceiling and walls. It illuminates in three color options: Sapphire Blue, Emerald Green & Ruby Red. The shell illuminates for a calming nightlight effect. It also comes with a Twilight Ladybug Star Guide to help identify constellations. It includes Twilight Ladybug story and adoption certificate. The most perfect gift for any age!

Feng Shui in Your Nursery

In ancient times as well as today, Feng Shui, pronounced in English as “fung shway”, was known as “Kan-Yu” which means ‘The Law of Heaven and Earth.’ Today’s Feng Shui schools teach that it is the ancient Chinese practice of placement and arrangement of space to achieve harmony with the environment.

Feng Shui applied to children’s spaces can bring a vibrant, healthy and lasting sense of joy, at the same time providing relief from an overwhelming chaos often present in children’s rooms.

The addition of a Kaloo toy from its Limited Edition Feng Shui Collection, can brighten up your child’s room and their spirit. The toys are colorful, vibrant, with a sort of an energetic glow being given off from the soft feel of each toy. Kaloo has done it again!
