

Gifts of Love & Elegance

Oooh, Baby!

Pregnancy and parenthood can be hard on all aspects of a new mother, but especially her skin. Pamper a mom-to-be with a deluxe line of skin care designed especially for her, now up to 40% off. Our special selection of maternity skin care

products is designed to nourish and soothe the mom's-to-be developing body, all safe and gentle to use during pregnancy.

Our Expanding "Gifts for Twins" Section

When it's time to give a gift to twins, gift-givers can find themselves stumped by the process of having to buy multiple items. Should they buy two of the same item? A single item that the children can share? Or perhaps it is more important to reflect their individuality by giving unique gifts. In our expanding "Gifts for Twins" section, gift-givers can find

unique and thoughtful gift ideas for twins and their parents. From toys, to swaddling blankets, to maternity tops, this is your one-stop shop for luxury gifts for twins.

Elegant Baby

Elegant Baby is a privately held company based in Burlington, North Carolina, that was founded in 1967 by the late Fred V. Hooper as a full service distributor of baby items and nursery needs for the department store and mass merchant trade. Today, the brand and company has re-invented itself yet again as the premier one-stop shop of baby gifts and accessories for the finest children's shops, gift boutiques, and high-end department stores across the United States, Canada, Mexico, and Europe. From exquisite Christening gifts to bathtime fun, SpiffyBaby.com is proud to offer its customers luxury products from Elegant Baby.
